#### 109TH CONGRESS 1ST SESSION

# S. 2123

To modernize the manufactured housing loan insurance program under title I of the National Housing Act.

### IN THE SENATE OF THE UNITED STATES

December 16, 2005

Mr. Allard (for himself, Mr. Bayh, and Mr. Martinez) introduced the following bill; which was read twice and referred to the Committee on Banking, Housing, and Urban Affairs

## A BILL

To modernize the manufactured housing loan insurance program under title I of the National Housing Act.

- 1 Be it enacted by the Senate and House of Representa-
- 2 tives of the United States of America in Congress assembled,
- 3 SECTION 1. SHORT TITLE.
- 4 This Act may be cited as the "FHA Manufactured
- 5 Housing Loan Modernization Act of 2005".
- 6 SEC. 2. FINDINGS AND PURPOSES.
- 7 (a) FINDINGS.—The Congress finds that—
- 8 (1) manufactured housing plays a vital role in
- 9 providing housing for low- and moderate-income
- families in the United States;

- 1 (2) the FHA title I insurance program for man-2 ufactured home loans traditionally has been a major 3 provider of mortgage insurance for home-only trans-4 actions;
  - (3) the manufactured housing market is in the midst of a prolonged downturn which has resulted in a severe contraction of traditional sources of private lending for manufactured home purchases;
  - (4) during past downturns the FHA title I insurance program for manufactured homes has filled the lending void by providing stability until the private markets could recover;
  - (5) in 1992, during the manufactured housing industry's last major recession, over 30,000 manufactured home loans were insured under title I;
  - (6) in 2004, fewer than 2,000 manufactured housing loans were insured under title I;
  - (7) the dramatic reduction in the use of the title I program is due primarily to certain structural problems of the program, which have resulted in refusal by the Government National Mortgage Association (Ginnie Mae) to accept new participants into the program since 1989, contributing to higher loan costs and fewer loan originators;

- 1 (8) the loan limits for title I manufactured 2 housing loans have not been adjusted for inflation 3 since 1992; and
  - (9) these problems with the title I program have resulted in an atrophied market for manufactured housing loans, leaving American families who have the most difficulty achieving homeownership without adequate financing options for home-only manufactured home purchases.

### (b) Purposes.—The purposes of this Act are—

- (1) to provide adequate funding for FHA-insured manufactured housing loans for low- and moderate-income homebuyers during all economic cycles in the manufactured housing industry;
- (2) to modernize the FHA title I insurance program for manufactured housing loans to enhance participation by Ginnie Mae and the private lending markets;
- (3) to adjust the artificially low loan limits for title I manufactured home loan insurance to reflect the increase in costs since such limits were last increased in 1992 and to index the limits to inflation; and

	1
1	(4) to ensure that the title I manufactured
2	housing loan insurance program requires no credit
3	subsidy from the Federal Government.
